ROAD CLOSURE NOTIFICATION

A Merante Contracting, Inc. has been contracted by Whitehall Borough to perform the **DOVERDELL DRIVE STORM & SANITARY SEWER UPGRADES PROJECT**. The location of the work is along Weyman Road and Doverdell Drive between Village Lane and Sherwood Drive.

We anticipate closing Weyman Road to begin construction on Monday, September 25, 2017. The road will be closed between the intersections of Village Lane and Baptist Road. We anticipate re-opening Weyman Road by November 1, 2017.

The project involves the installation of a new storm sewer system including a large underground detention tank, concrete manholes, catch basins, new sanitary sewer piping and repairs made to the existing sanitary sewer system. New concrete curb and asphalt paving will be installed after all underground work has been performed.

We hope you understand that this will be a short-term inconvenience for a long-term improvement to your neighborhood. Should any issues arise while we are working, please see the foreman on-site and he will try to work with you regarding access to your property as best as we can.

If you have any questions or concerns, you can contact me at our office between 7:00am and 5:00pm.

Thank you,

Jonathan Hoffman
Project Manager
