### GENERAL REFERENCES

Building construction - See Ch. 78.

**§ 88.1. Adoption of standards. *[Amended 3-2-94 by Ord. No. 812]***

The Borough of Whitehall hereby adopts the National Electrical Code recommended by the National Board of Fire Underwriters, being particularly the most recent published edition thereof and its amendments, as the Electrical Code for the Borough of Whitehall, which shall regulate all electrical construction, installations, alterations, repairs, materials and equipment in any buildings or structures in the Borough of Whitehall. Copies of the said National Electrical Code are on file in the office of the Building Inspector of the borough.

**§ 88.2. Inspection agency. *[Amended 3-2-94 by Ord. No. 812]***

All electrical construction, installations, alterations and repairs shall be inspected by a qualified electrical inspector approved by the Borough of Whitehall. A list of approved electrical inspection services shall be provided with each building permit issued and shall be maintained in the Code Enforcement office of the Borough of Whitehall. No electrical connection shall be made to a live circuit until an approved electrical inspector shall have inspected and approved of the electrical construction, installation, alterations and repair.

**§ 88.3. Right of entry to premises. [Amended 3-2-94 by Ord. No. 812]**

A qualified electrical inspector approved by the Borough of Whitehall shall have authority to enter any building, structure or premises in the Borough of Whitehall at any reasonable time for the purpose of making any inspection as provided in the National Electrical Code.

**§ 88.4. Enforcement.<sup>1</sup>**

All inspection and enforcement provisions of the currently effective Building Code<sup>2</sup> of the borough shall apply to electrical construction, installations, alterations and repairs within the Borough of Whitehall.
